TRAIL SAFETY
If you have questions about trail difficulty or safety concerns, please call the property manager at 608-935-1914. Be aware that trails vary in difficulty. Not all trails are surfaced. There may be steep climbs or descents. Use caution on steep bluffs and near cliffs. Stay well away from cliffs, which are not protected by barriers. Watch small children closely. Trail surfaces can become slippery when wet or covered by leaves or pine needles, or where there is loose gravel.
