

Pattison Sand Company

Town of Bridgeport, Crawford County

The LWSRB's authority for issuance of a permit is found in s. 30.43(1), Stats., which states:

The board shall review applications for permits...and issue permits for activities that comply with their applicable performance standards.

In addition, under board powers in s. 30.435(1), Stats.,

The board may impose conditions (on permits).

The board's authority to impose conditions on permits is further detailed in s. 30.44(7), Stats.,

The board may impose on a permit a condition that is necessary to assure compliance with the performance standards (for the activity) or to assure that the activity is completed within a reasonable time.

s. 30.44(3e) NONMETALLIC MINING. (a) A person shall apply for and receive a permit before beginning or expanding nonmetallic mining on land in the riverway that is not visible from the river when the leaves are on the deciduous trees.

(b) A person may not be issued a permit for an activity in par. (a) unless the following performance standards are met:

1. Any structure and any stockpiled minerals or soil associated with the nonmetallic mining activity may not be visible from the river when the leaves are on the deciduous trees.

2. The excavation for the nonmetallic mining activity may not be visible from the river when the leaves are on the deciduous trees.
